How long have you been in business?

Our Hanover location is currently our newest and has been open since August of 2021, but Elliott Physical Therapy's first location opened in 2014 in Dorchester.

How many locations do you have in the area?

We have seven locations total, with an eighth location opening this year. Closest locations to the Hanover area are Hingham and Milton, but we also have locations in Dorchester, Easton, Mansfield and North Attleboro with a new location opening this year in Needham!

How many employees do you have?

We have 92 total employees, 5 work at our Hanover clinic.

Describe a typical patient that you see?

Anyone who is currently suffering from an injury, had surgery, or would simply like to optimize their health and movement! We treat a variety of concerns ranging from general joint pain, balance, to pelvic health.

What about Hanover attracted Elliott PT here?

Hanover is a continually growing town on the South Shore and we wanted to make sure we continued to extend our outreach to communities who are engaging and seeking to improve their health and quality of life. Living on the South Shore it is nice to contribute to the community. By having the Hanover Clinic in this area it is like giving back.

What are your plans for the next year? Next five years?

To continue to grow and spread the word about all the health benefits we can provide to the community. Merchants Row and the new complex located down the street is an up and coming area! The reality that we are a part of is amazing.

Enough about the business...we'd like to introduce Aaron Soto, clinical manager, and Erin Moschella, office manager. Aaron and Erin; as much as you love your work, what do you like to do when you're not at work?

Where do you live?

Aaron: Currently in Boston but looking to move to the South Shore ASAP!

Erin: Weymouth

What are some of your hobbies?

Aaron: Going for runs (I'm currently training for the New York City Marathon with my wife), snowboarding, and exploring Boston and New England (I'm originally from Ohio).

Erin: walking Legion field in Weymouth along with Osprey Overlook park (Esker Park), reading books, gardening. I have to say we have the best Zucchini's that come out of my garden!

What's your favorite movie?

Aaron: Any of the Marvel movies

Erin: A Time to Kill

What's one personal goal you'd like to accomplish in 2023

Aaron: I would like to see our office continue to grow and for us to continue our outreach and relationship with the community

Erin: I would love for us to continue to see success within our community. By participating in even more local events and attending, as well as hosting lectures, our clinic will achieve that!

What's one place in the world you'd love to visit?

Aaron: Barcelona (or any part of Spain!)

Erin: Ireland

Of all the songs out there, what's your absolute favorite one?

Aaron: Chrysalis by Empire of the Sun

Erin: Pink Houses by John Mellencamp

Anything else you'd like us to know about you and Elliott PT?

Aaron: We currently have two full time physical therapists on staff. I work with a variety of sport injuries and other orthopedic injuries such as back pain, shoulder and knee issues, as well as ankle. I am also certified in performing Dry Needling. We work with a variety of age ranges as young as a few months all the way to 100 and beyond!

Our physical therapist Caity Morris specializes in pelvic health physical therapy but she also treats musculoskeletal issues and neurological symptoms. We are here to help anyone and everyone achieve their goals and reach their full potential!

Erin: Our team is amazing. We are always there for each other and knowing that makes for a better work environment. The comradery that we portray makes the clinic successful. Our team is so solid, we're all here for the same purpose, and this does not go unnoticed by our patients.
